MAPP Overview
Vision Statement
- Where do we see ourselves in five years?

Values
- What values will support us through the MAPP process?

Community Health Improvement Plan
- How do we plan to get there?
How does Visioning BENEFIT a community?

- Provide a **focus, purpose, and direction** for the planning process.
- Serves as an **incentive to mobilize assets & resources**.
- A powerful method for **convening the community** & mobilizing participation in the MAPP process.
Mutual Respect
Teamwork
Commitment

Community Values

Fundamental principles & beliefs that guide a community-driven process
PHASE 2: Visioning
THE CASE FOR BRAINSTORMING

Group Work
Identify other visioning efforts & make connections as needed

✧ Discuss visioning efforts that have already taken place.
✧ We will attempt to create links with the MAPP process where appropriate.

What community visions, if any, already exist?
Brainstorm below:
Who should participate at the visioning session on October 2, 2015?
* Turn in your *Prepare for Visioning Session Worksheet*
* Start identifying partners to include for the different phases of MAPP
* Agenda items for next meeting
* Discuss Steering Committee meeting schedule
* Ask any questions
