

Public Sharps Disposal Kiosks

Santa Cruz County

If you have used syringes that you do not intend to exchange for new ones through the Santa Cruz County Syringe Services Program, you can dispose of them in a disposal kiosk located in one of three locations in Santa Cruz County.

The kiosks are bright red and clearly marked. All kiosk locations are outside and can be accessed 24 hours per day, 7 days per week.

1. Santa Cruz Clinic
1080 Emeline Avenue
Santa Cruz, CA 95060
