

HSA's NEW Web Site is Live!

The County of Santa Cruz Health Services Agency (HSA) is happy to unveil our updated website! We have enhanced our design to make it easier for you to find what you are looking for. We have also integrated our web site into the County of Santa Cruz web site. You not only can use our web site but you can now easily access information about other County of Santa Cruz departments and services.

Please take a tour of it and get familiar where all the information about our agency is located.

Please send us your comments or let us know if something doesn't work or isn't correct. There is a link to a comment form in the lower left of the front page or click the 'Webmaster' button on the bottom. We would appreciate your comments!
