# AGENDA ITEMS>>>

Introductions	TIME: 5 minutes	STAFF: Dave
<ol> <li>Facilitator: Erica Or</li> <li>Skip December 30,</li> <li>Introductions: nam</li> </ol>	2021, meeting. Next meeting – January 1	<mark>3, 2020</mark>
<b>Project Status and Updates</b>		

1. NEW REQUEST: Remove the "Referred to MD..." question from the Psychosocial Assessment STAFF: Dave/Joanna Moody TIME ALLOTTED: 15 mins

Client has been referred to MD for medication evaluation and/or to • Yes	rule out physical health factors, v	which may impact client's functioning
Describe result, and any pertinent information about treatment	Ŷ	

- a. Background: CMH got disallowance for checking "no." When you check "no" the text field is disabled, therefore you cannot further describe what is happening.
- b. Decision: Consensus by committee was to enable text field ("Describe result...") for both Yes and No answer. Per QI, field should also be red/required in either instance since

answering this question is a state requirement. Question and lightbulb will be updated to help clinicians understand how to answer the question. Additionally, question should not default from any prior assessment.

Dave: Data review of PSA Medical responses

TASK: Determine PSA Medical yes/no fields to be required; enable all text boxes but not required. Check on default form prior PSA.

## 2. NEW REPORT! Test MH User Compliance Report is now in LIVE.

a. The report was developed for all providers to have a compliance report; supervisors have the program-level report. With the new report, line staff can print it any time they want to get an overview of when certain documentation needs to be completed. They

Dave: Update from workgroup

TASK: Determine, Delete or Disable, Time Limited or not, Workflow for all Clerical Teams, Report Design

5.

- 6. Request for a system, likely an assessment, to track Key Indicators for Children's Intensive Support Services. STAFF: Stan Einhorn
  - a. NOABD Termination and Closing Inactive Episodes STAFF: Dave
- Question about what to do when Avatar times out and places itself "in front" of all items on your desktop so that you cannot access them. SOLUTION: Press [windows key] + [D] to view your desktop again.

+ "D" minimizes all open windows and allows you to see your desktop.

8. Scheduling calendar functionality does not allow reception to make multiple notations on a single appointment. Chris McCauley reports that Netsmart suggested a change that we need to explore. What was proposed is a "partial solution" that was previously put in UAT but never put in LIVE. He will research. Flor will start group email with Chris, Nancy, Gian and a few others about this.
