

Avatar Process Improvement Meeting Agenda

Meeting Date

Friday, 8/17/2018

9:00-10:00 AM, 1400 Emeline, 2nd Floor, Conference Room 207

Meeting identity and mission

Inclusive, collaborative, focused, agenda driven, Continued Improvement Process to meet new state and federal requirements, improve client care and staff experience. This group gives us the opportunity to: Share our voice and needs to impact policy, create and modify forms, reports and queries. Also requires our commitment to: bring information back to our respective groups, gather opinion and test current projects to ensure they meet our needs, as well as share the finalized recommendations back with the staff we represent.

3) Episode Widget

All Staff

The episode widget shows admission diagnosis. Is that appropriate? Should we ask for most recent diagnosis to display instead?

4) Client Info Widget

All Staff

Should we add a widget to quickly see key information for a client like: Name, Age, Address, Phone number?

Future and Pending Agenda Items

- Brief ASAM form in Avatar – Access to services workflow
- Episode Closings: Analyze and recommend workflows for closing episodes, including what tools are needed for support
- Network Adequacy follow up to additional items needed
- Caseload Report changes - Diagnoses (dates and clinician), ASAM information
- Pending notes report
- Discuss ROI in onset of services form, (ability to click on the boxes)
