APPLICATION FOR CERTIFIED COPY OF DEATH RECORD Santa Cruz County Office of Vital Records

INSTRUCTIONS:

- 1. Complete a separate application form for each person's death record requested.
- 2. An Authorized Certified Copy of a death record will establish the identity of the decedent. An Informational Certified Copy contains the same information but will not establish the identity of the decedent. California law permits only certain persons, as listed on the application, to receive Authorized Certified Copies of death records. Anyone else may receive only an Informational Copy, marked with the legend "Informational, Not a Valid Document to Establish Identity."
- 3. In the top section of the application, specify whether you are requesting an Authorized Certified Copy or an Informational Certified Copy. If you are requesting only an Informational Copy, you do not need to complete the rest of the upper section or the sworn statement on the last page; just complete the "Death Certificate Information" and "Application Information" sections.

4. SWORN STATEMENT:

For an Authorized Certified Copy, you must complete the upper section of the application, identifying your relationship to the decedent, and you must sign the sworn statement.

If you apply in person, you must sign the sworn statement in the presence of the Office of Vital Records staff.

If you *mail your request*, your sworn statement and signature must be *notarized by a Notary Public*. (To find a Notary Public, see your local yellow pages or contact your banking institution.) Any request for an Authorized Certified Copy that does not include a notarized sworn statement will be returned without processing. Law enforcement and local and state government agencies are exempt from the notary requirement.

PLEASE NOTE: Only one notarized sworn statement is required for multiple certificates requested at the same time; however, the sworn statement must include the name of each individual whose death certificate you wish to obtain, and your relationship to that individual.

- 5. Complete the **Death Certificate Information** section, providing all the information you have available to identify the death record. If the information you furnish is incomplete or inaccurate, we may not be able to locate the record. Complete the **Applicant Information** section and provide your **printed name and signature** where indicated.
- 6. You must complete the application with the correct address information in order to insure prompt processing.
- 7. Submit \$24 for each Authorized Certified Copy or Informational Certified Copy requested. Indicate the number of copies you want and which type you want, and include sufficient payment with this application, in the form of a personal check or a postal or bank money order (International Money Order for out-of-country requests) made payable to HSA Vital Statistics.

Submit this application with the sworn statement and payment:
